

## Announce two and four person dartball tournament winners

By Jack Pearson

The sport of dartball, along with bowling, and curling, has long been a favorite indoor winter activity in Wisconsin, especially among seniors. There are few states in the country where as much dartball league play and tournament action is conducted.

The first dartball tournament was held here as long ago as 1939. Today there are eight major tournaments held every winter, topped off by the State Championship, a Nine-Man event, held in April. Of the eight tournaments, two are conducted in this area: the Clutch Two-Person in January, and the Four-Person in February, both

held at Pat's Oak Manor restaurant and bar in South Milwaukee. Both were started more than 30 years ago by Jim Hinkle of St. Francis, who is still an active competitor. Over the past three years, those two events have been under the direction of Bob Leskovar of Milwaukee, assisted by Mike Studer of Franklin.

Winners of this year's Two-Person Tournament were Karl Peura and Teddy Llanas of Kenosha; and for the Four-Person, Jake Milbrath, Josh Pieper, Wayne Kohl, John Perronne, Jeremy Pieper and Jason Pieper, all of Howard's Grove.

The State Nine-Man is scheduled for April 5 and 6 in Manitowoc.
