

EAU CLAIRE TOURNAMENT – WORLD SERIES OF DARTBALL PART 2

January 11, 2025 – American Legion Post 53

All games are 9 innings, both teams bat in all 9 innings in pool play only.

Pool games can end in a tie. Coin flip determines home team.

Pool place is determined by best record. Ties between teams for pool place determined by head to head if applicable, then by most runs scored, then most runs scored against.

Bracket play for final places in tournament. 4 teams per bracket.

Bracket to be seeded 1-4, with the higher seed being the better record, then runs scored.

Brackets will be set up with 1 seed vs 4 seed, 2v3.

Bracket play is best 2 out of 3 games, 9 innings, extra innings if needed to determine a winner.

Teams earn a world series point for each win. 1st place gets 15 bonus points, 2nd gets 14 points, 3rd gets 13 points, etc.

Points accumulate at each tournament. Next tournament is March 8, 2025 in Green Bay.

The state tournament will also accumulate points towards the final World Series place, but that tournament entry is separate from the first 3 parts, and a standard state tournament format.
